Sir:

REQUEST FOR REPRINTED PATENT OR CERTIFICATE OF CORRECTION

Due to the nature of one of the errors on the face of the above referenced Patent, and in accordance with 37 C.F.R. 1.322(b), **Patentee hereby requests that a corrected patent be issued** due to an error by the U.S. Patent and Trademark Office. A corrected patent is believed to be of tangible benefit to the public because one of the errors indicates that the patent is subject to a terminal disclaimer when in fact it is not.

In the alternative, Patentee requests issuance of a Certificate of Correction to correct printing errors in the patent due to error by the U.S. Patent and Trademark Office. The following summarizes the correction requested and the location of the error in the application file.

1. On the title page, the statement "This patent is subject to a terminal disclaimer" should be removed from the face of the patent. There has been no terminal disclaimer filed in this case.
